## Summary

Fresh-Graduate of Zarqa University, looking for a job opportunity a software developer, where I can exercise my skills and experience to prosper with the company.

## Education

- Zarqa University, Zarqa, Jordan,  
from Nov/2020 to Feb/2024
- Bachelor in Computer Science
- GPA 76% (Rating Very Good)

## Training

- I trained in Zarqa University, in Computer Center as technical support. (Feb/2023).
- I worked as volunteer in the registration department in Zarqa University.

## Projects

- ASK ME application (Graduation Project)  
We developed this application in the Dart and Flutter framework, we used firebase as a database, I designed a database and the system, and I analyzed the requirements for the system. The goal of this application is to allocate a suitable place so that people can ask their questions and get reliable answer from competent experts.
- Simple Registration System  
I developed this system in C# language, it was linked to the Oracle database, and the four basic operations were applied in the databases.
