Address: Amman, Jordan

LinkedIn Profile: https://www.linkedin.com/in/nour-alsawaier-821135258/

Job Objective:

Aspiring Full Stack Developer seeking an internship to apply my skills in front-end (HTML, CSS, JavaScript) and back-end (Node.js, Python, SQL) development. Eager to contribute to [Company Name] by developing efficient, user-friendly applications while gaining hands-on industry experience.

Education:

- Bachelor of Computer Science, University of Jordan, 2024
  Graduation Project: MAHAM is a user-friendly web application designed to simplify task management. I was responsible for developing the front-end using React, ensuring an intuitive and efficient user experience.

Experience:

Web Developer Trainee, ELTS, November 2023 – January 2024

- Trained as a Front-End Developer with ELTS, focusing on web development using ASP.NET, MVC, and React. Acquired practical skills in building dynamic and responsive web applications.

Courses:

- Communication Skills, Coach You, June 2024
- RPA (Robotic Process Automation), SDS Company, August 2023
- JavaScript Rocket Code Camp, GISTIC, July 2022

Extracurricular Activities:

- Volunteer, Center for Community Development and Service, University of Jordan, January 2022 – Present

Skills:

- **Computer Skills:**
  - Very good command of C++
  - Good command of Python
  - Very good command of Matlab
  - Very good command of MS Office "Excel, Word, PowerPoint"
- **Languages:**
  - Arabic: Native
  - English: Very good
